

# The Salt Creek Wind Farm

---

## Lend a Hand Community Benefit Fund

**Is currently being established**

---

**Tilt Renewables' Lend a Hand program provides funds for community projects and initiatives in the areas where our projects are based.**

These funds are administered by independent community groups and it has been suggested that the Woorndoo Community Group, which will be officially established later this month, be responsible for The Salt Creek Wind Farm Lend a Hand Foundation.

We are looking for your feedback - do you think this is a good idea or do you have another suggestion? Please let us know via [saltcreekwindfarm@tiltrenewables.com](mailto:saltcreekwindfarm@tiltrenewables.com) or phone **1800 122 823** by Friday May 25.

The fund will have an initial contribution of **\$25,000** followed by **\$10,000** annually for the life of the wind farm.
