Department:	Development
Team:	Origination
Reports to:	Head of Origination
Direct reports:	N/A
Location:	Flexible – preferably Melbourne
Document review date:	January 2024

### Role overview

---

This is a role that is central to the success of Tilt Renewables' strategic ambitions. It is an opportunity to play a critical role within a leading Australian renewables business to help drive the energy transition in Australia.

Tilt Renewables' Land Access Officers will support engagement with landowners through the land access team through the development, construction and operations of our renewable projects and supporting infrastructure. Our Land Access Officers will support the team through:

- Managing records of landowner engagements
- Undertake Due diligence activities to support land access constraints
- Support in preparation of access agreements and applications for licenses for land
- Preparing land access plans

As a Land Access Officer, you will be diligent, engaged and have a willingness to learn and develop your careers.

### Key Accountabilities

---

The key accountabilities may include (but are not limited to):

- **Reporting and record keeping:** Establishing and/or maintaining records of landowner engagement and weekly/monthly reports.
- **Health, safety and environment:** Ensure all company HSE policies are adhered to in own work and are included in land access, engagement and travel. In particular the development of Site Access Plans

### Key Relationships

---

This role will work closely with:

Tilt Renewables stakeholders:

- Land development managers
- GIS analysts
- Stakeholder engagement team

- Legal Team
- Corporate Finance

### Skills and Experience

---

- Experienced in working in a similar role dealing with internal and external stakeholders.
- Proficient in the use of MS Office Suite - Excel, Word, Outlook
- Knowledge and understanding of the renewables industry is beneficial

### Qualifications

---

- Qualifications in a Project Management, Real Estate, Property Development or Agricultural related discipline (preferred not essential)
- Full Drivers Licence

### Key Competencies and Capabilities

### About Tilt Renewables

---

Tilt Renewables aims to be the leading developer, owner and manager of renewable energy generation assets in Australia. With 1.7 GW of Operational Assets and a pipeline of over 5GW we are well positioned to achieve this.

We are proudly Australian with strong brand recognition known for developing and operating, high quality assets in Australia with a long-term owner's perspective. With a significant pipeline of development opportunities, we have an appetite for growth.

Our approach is to adopt a pragmatic view of the development, asset operation and energy market functions focussed on optimising customer, investor, employee and community outcomes. This requires agile and effective decision making and outstanding execution of opportunities.

Credibility in the eyes of our investment stakeholders as well as strong relationships with our customers, key suppliers, contractors and the communities we operate in are critical to Tilt Renewables' success. Tilt Renewables has corporate offices in Melbourne and Sydney and a rapidly growing capable team of approximately 100 employees who are able to apply themselves to any issue or opportunity, regardless of functional structure.

We are committed to a customer centric renewable energy solution, building on our enviable track-record, experience, and reputation.

### Our Vision

---

Our vision ***to drive the transition to renewables through everything we do*** focuses on us helping create the world we want to be part of and to look for those opportunities in everything we do.

### Our Values

---

Developed by our team to reflect what matters most to us, our values are simple, unequivocal, and focused on how we generate a difference – for our business, for our people, for our investors and for the communities we work with.

**We are People Powered | We Get It Done | We Lead**

### Our Investors

---

Tilt Renewables has three key investors:

- Future Fund (40%),
- QIC (40%); and
- AGL (20%)
