

**Legend**

- Modified Site Boundary
- Under Negotiation – To Be Confirmed
- Dwellings**
- Associated Dwellings
- Non-associated Dwellings
- Non-associated Dwellings (Newly included for Modified Project)

**Modified Layout (223 Turbines)**

- Modified Development Corridor
- Modified Indicative Turbine Layout
- Modified Access
- Modified Transmission Line
- Transmission Line Route A (Preferred)
- Transmission Line Route B (Alternate 1)
- Transmission Line Route C (Alternate 2)
- Potential Overhead 33kV Line

**Approved Layout (267 Turbines)**

- Potential Battery (BESS) Locations
- Potential Temporary Batch Plant, Laydown Area, Construction Compound Locations
- Potential O&M Facility Locations
- Potential Substation Locations
- Potential Permanent Met Mast Locations
- Site Access
- Approved Development Corridor
- Approved Site Boundary
- Approved Overhead 33kV Line
- Approved Transmission Line
- Approved Indicative Turbine Layout
- Approved O&M Facility, Batch Plant, Construction Compounds
- Approved Substations
