

# Rye Park Wind Farm Construction Update

**23 December 2021**

*Construction Updates are released fortnightly and include a summary of construction works undertaken and a look-ahead of upcoming works.*

The Tilt Renewables team has officially commenced construction of the Rye Park Wind Farm. The Department of Planning, Industry and Environment (DPIE) was notified and construction commenced on 1st December 2021.

Tilt Renewables construction contractor Zenviron (and their subcontractors) continue to mobilise staff and equipment resources to the Project and have commenced construction of the three site entry points along with the commencement of the upgrade of Dalton Rd (between the southern access point and Cooks Hill Rd).

## Boorowa Road Works Commencement

As part of the public road upgrade scope associated with the transport routes for the Rye Park Wind Farm, upgrades on Trucking Yard Road, Dillon Street and Long Street will be commencing from **4 January 2022**. The works involve improvements to the existing pavement, widening and resealing the roads as well as drainage including the Trucking Yard Road causeway. Traffic control measures, as approved by the road authority, will be in place. Road users should expect minor delays and diversions whilst the works are being undertaken. The works are expected to take approximately 12 weeks to complete.
